Agreement for Student Use of Mobile Device Computer

This Agreement is made by and between The School Board of Miami-Dade County, Florida (School Board) and the Student (Student) and parent/guardian (Parent) in the upper left corner of the Agreement and takes effect on the date of signature. For the purposes of this Agreement, the terms "mobile device" or "mobile device computer" shall refer to the mobile device made and model listed above along with all accompanying accessories (e.g., power cord, battery, mouse, etc.) included with the mobile device computer or may from time to time be provided for the Student's use under this Agreement.

Purpose of Agreement: MDCPS is pleased to make available a mobile device computer for the Student's use in connection with their studies in Miami-Dade County Public Schools. The Student's permission to use the mobile device is hereby subject to the terms and conditions of this Agreement.

MDCPS and the Student and Parent agree as follows:

1. Term of Use of the Mobile Device. The Student shall be granted use of the mobile device computer while enrolled in Miami-Dade County Public Schools, but no later than the end of current school year. MDCPS reserves the right to terminate the agreement at any time and for any reason upon giving 30 days notice to the Parent or Student. The use of the mobile device shall be governed by the School Board Policy (SDBP) Students Responsible Use of Technology, Social Media, and District Network Systems (<http://www.mdcps.com/miamidade>). The mobile device is being loaned to the student solely for educational use and any use that is deemed inconsistent with this purpose as determined by school administrators or by MDCPS personnel, or that is in violation of School Board policies, State or Federal law, or that is prohibited by Chapter 615 of the Florida Statutes, will be considered a material breach of this Agreement, requiring that the mobile device be returned immediately to MDCPS. Parties shall not create or confer any rights or obligations in or upon any third person or entity. MDCPS reserves the right to suspend or terminate the use of the mobile device at any time.

2. Return of Mobile Device to MDCPS. Student's right to use the mobile device will terminate and Student and Parent agree to return the mobile device to MDCPS at the end of the school year or upon termination of the agreement.

STEP 3: PICK IT UP

Students should check with the main office at their school and ask to speak with the school's Asset Manager. The Asset Manager will be able to verify that insurance has been paid (you might want to take proof of insurance just to make things move faster) and that the Mobile Device Agreement has been signed! Pick up your device with the charger.

Remember to log in once at school before taking the device home!

STEP 4: CONFIRM & TAKE IT HOME

You will receive a receipt via your student email once you have checked out your device. Confirm that the device provided to you matches the information in the receipt and keep this receipt in your email as a record of the device that was checked out to you in the event that the device is lost, stolen, or damaged. Students can also log in to the District's Asset Management System: IncidentIQ to check on any asset assigned to them.
